Four spooky creatures were invited to a Halloween party. Each creature arrived at a different time, brought an item to share with friends, and has a different favorite candy. You must determine each creature's favorite candy, item they brought, and what time they arrived.

- The creature who arrived at the party at 6:00 brought a Jack O' Lantern.
- Of the werewolf and the creature who loves gummy candy, one brought pizza and the other brought flashlights.
- The creature who brought flashlights arrived later than the werewolf.
- The creature who loves Skittles arrived 15 minutes earlier than the creature who brought flashlights.
- The creature who arrived at 6:30 doesn't love Twizzlers.
- The creature who loves candy corn didn't bring the scary movie or pizza.
- The creature who loves gummy candy is the dragon.
- The 4 creatures are the one who brought a Jack O' Lantern, the creature who arrived at 6:30, the creature who loves gummy candy, and the vampire.
- Either the creature who arrived at 6:15 or the creature who arrived at 6:30 loves Twizzlers.
