A character eats	A character pulls out a weapon	A character dies	You see a wizard	Pippin does something dumb
A character runs	A character sings	You see the One Ring	You see an orc	A character shows happiness
You see a Nazgûl	You see a ring		Gollum appears	A character shows sadness
You see runes or writing	A battle takes place	Someone speaks Elvish	You see Hobbit feet	A character mentions food
All 4 Hobbits are together	A character rides a horse	You see the Eye of Sauron	You see fire	A character mentions The Shire
